Snorkelling

Poseidon takes you to three SPECTACULAR SITES on the edge of the Outer Barrier Reef at the AGINCOURT RIBBON REEFS.

Introductory Diving

TRY A DIVE... No previous experience is required to enjoy the thrill of scuba diving, fully supervised by our highly qualified instructors.

SMALL GROUPS ensure personal service and individual attention.

Have up to three INTRODUCTORY DIVES at three SPECTACULAR REEF LOCATIONS, or spend part of your day diving and the rest snorkelling. Children 12 years and over can also enjoy this experience.

Certified Diving

Experience the very best possible day boat diving. We take you 70km North East of Port Douglas and on the very outer edge of the Great Barrier Reef to the crystal-clear waters of the AGINCOURT RIBBON REEFS.

This INCLUDES DRIFT & WALL DIVES, where you can dive around isolated pinnacles surrounded by pelagic fish, and coral gardens with their endless variety of colourful wrasses, cods, parrot fish, clown fish, angel fish, clams and anemones. *Dive includes tanks and weights only.

We recommend waiting until your arrival to book your tours as they can be weather dependant and there may be a special promotion that you will be able to take advantage of.

If you specifically need to prebook any tour due to your time restraints, please contact us directly or enquire now so we can help you via our free service tour desk.
