## Quicksilver Outer-Reef Trips

Travel with Australia's most awarded reef cruise company. With a range of day trips or extended cruising options, it's a superb way to see nature's finest in absolute comfort and style. Quicksilver has become a highly sophisticated company with a fleet of eleven of the most advanced Australian made cruising vessels. Quicksilver Connections has been voted Australia's best tour operator. Nature provides the reef and we're proud to take you to where the very best of nature's work is found.

### Outer Barrier Reef Cruise

For your experience of a lifetime, Quicksilver's catamarans and friendly crew will take you to a reef at the very edge of Australia's Continental Shelf, to an underwater world of dazzling kaleidoscopic colour and brilliance.

Dive, snorkel, or stay dry and explore the stunning reef from the comfort of a Quicksilver semi-sub, just one metre underwater.

### Snorkelling and Diving Trip—Silver Series—including cruise

Silver Series have day snorkelling and diving trips, with daily departures from Cairns and Port Douglas to the Great Barrier Reef. Explore the outermost Great Barrier Reef locations in style and comfort with the Silver Series, custom-designed for the thrill of diving and adventure snorkelling. Choose from Port Douglas-based Silversonic or Cairns-based Silverswift.

### Ocean Walker

Non-swimmers can see the reef as if diving, in a helmet 'dive'. Fresh air is delivered from the surface into your helmet from where you will walk underwater on a reef platform—you can even wear your glasses.

We recommend waiting until your arrival to book your tours as they can be weather dependant and there may be a special promotion that you will be able to take advantage of.

If you specifically need to prebook any tour due to your time restraints, please contact us directly or enquire now so we can help you via our free service tour desk.
