Sailaway IV

Sailaway IV moors in the sheltered blue lagoon of Low Isles for over 5 hours. Guests can explore this protected Coral Cay, with white sandy beaches and coconut palms, surrounded by coral gardens and the Coral Sea.

Sailaway IV is a state-of-the-art luxury sailing catamaran. Built in France, this Lagoon 500 is an ideal vessel to experience the thrill of sailing and snorkelling on the Great Barrier Reef.

Our Marine Naturalist is accompanied by the Guided Glass Bottom Boat tour with reef interpretation from the Skipper. Guests can choose to swim, relax or laze on the deck after a superb gourmet buffet lunch, before sailing back to Port.

Explore Low Isles

Join the guided snorkel tour and relax, or explore the island. Experience a trip on the glass bottom boat viewing a kaleidoscope of coral and fish. Don't miss out on the wonderful gourmet buffet lunch.

Living amongst the corals in the blue lagoon are a large variety of reef fish including angelfish, damselfish, anemones, giant trevally, sweetlip, fusiliers and many green turtles usually sighted on our tours.

After a great day on the reef just laze on the deck sailing back to Port Douglas Australia, enjoying the magnificent vistas.

Evening Sunset Sail

Relax on a gentle afternoon cruise onboard the luxury Lagoon 500 from France. Enjoy approximately ninety minutes of sailing while enjoying the picturesque Port Douglas coastline, sipping a complimentary glass of champagne, wine or beer and nibbling on a selection of canapes. Savour the tropical sunset over the Coral Sea with spectacular mountain views.
