Silversonic Outer-Reef Trips

Cruise on The Silversonic—the fastest vessel to the reef, where you'll enjoy over five hours exploring the delights of Agincourt ribbon reef. You'll have access to exclusive dive and snorkel sites, with three different sites, so you can choose any of these packages: three certified dives, two introductory dives, or three different adventure snorkel locations.

Each site offers a new experience, selected for its unique variety of marine life and corals. In between water activities, relax on the sun decks.

Introductory Dive

An introductory scuba dive is available for the uninitiated. No previous experience necessary. Onboard instructors will take students step by step through the equipment and the dive, ensuring all facets of the experience are comfortable and most of all, enjoyable.

Certified Dive

For experienced divers already holding a certificate, professional underwater dive guides accompany all dives at no extra charge, ensuring maximum safety and enjoyment. All diving is subject to a medical questionnaire.

Snorkeling

Five hours of actual snorkel time diving the Great Barrier Reef, and three different sites. Experience and compare three different reef environments all in the one day. Take in the diversity of the reef by swimming in three parts of the reef.

Make sure you add Silversonic to your list of must do's. Silversonic is a tour operator who can provide ALL the options.
